The following information should be typed or written in print to ensure that the announcement is printed correctly in The Claremont Courier. Legibility and spelling is the responsibility of the party submitting the form. If you are submitting a photo by mail, black and white photos reproduce the best, but a color photograph, wallet-size and up to an 8" X 10" photograph will work as well. If you would like the photo returned by mail, include a self-addressed, stamped envelop. If a photo is being submitted by email, JPEG, TIFF, EPS or PDF formats can be accepted. The photo should be at least 72 dpi or higher to ensure a good reproduction in The Claremont Courier.
